

The BOO! Poem

The air is cool, the season fall
Soon Halloween will come to all.

Ghosts and goblins, spooks galore...
Tricky witches at your door.

The spooks are after things to do
In fact, a spook brought this "BOO!" to you!

The excitement comes when friends like you
Copy this note and make it two.

We'll all have smiles upon our faces
No one will know who BOOed whose places!

Just two short days to work your spell
Keep it secret! Hide it well!

Join the fun for the season's here
So spread the BOO! and Halloween cheer.

What to do next:

- Copy this page twice, and post original on your door where it can be seen so you don't get BOOed again.
- Gather treats in a basket or bag and drop them off on the front porch of two neighbors (or desks of co-workers)
- Don't get caught! The game is more fun when it's a surprise.
